Mr. Nicholson said that this bid does include the staircase. There is a fifteen (15) month construction and the contractor is prepared to go to work the Monday after July 4th.

Item E.1.,c.(11), continued,

Supervisor John Caldwell asked if that includes the site the way it is now, or does the

county have to prepare the site. Dave Nicholson answered that it includes the demolition of the McIngvale Building.

The County Administrator, Clovis Reed, reminded the Board that the bonds were let for the Administration Building in the amount of \$7,000,000.00. Mr. Reed said that after legal and professional fees, just over \$6,500,000.00 is left for the building. Mr. Reed said that there will be interest income to cover most of the difference, or possibly leaving a shortfall of approximately \$50,000.00.

The Board discussed the McIngvale House and alternatives to save or demolish the house. The Board Attorney, William Austin, notified the Board that his concerns were the way the bids were taken with no alternate for moving the house. Mr. Austin cautioned that the bids need to be acted upon according to the motion and any consideration to move the McIngvale House should be acted on after the vote at a bare minimum.

(12) McIngvale House

Supervisor Tommy Lewis asked Dave Nicholson of Allen & Hoshall if he has talked to anyone about moving the McIngvale House. Dave Nicholson responded that he has and the estimate to prepare the house for moving and relocating the house would be approximately \$75,000.00 and there would be an additional \$70,000.00 to \$75,000.00 to restore the house to like new condition. Mr. Nicholson cautioned the Board that the process to move the house would have to begin very quickly. A representative from Panola Construction told the Board that it would be good for Panola to be able to get that contract to control the workers timing on doing the work.

Dave Nicholson told the Board that the estimate of \$150,000.00 is not a firm price for this work.

Supervisor John Caldwell said that there are no plans for the building if it is moved. Supervisor Caldwell speculated that it may not be wise to move the building with no clear objective for its use in mind. Supervisor Caldwell said that he would like to go on and approve the contract to demolish the building and see if the City of Hernando wants to move the building and use it in the City.

Supervisor Eugene Thach said that he is inclined to go along with Supervisor Caldwell on that recommendation. Supervisor Thach said that the County does not need the office space, but they do need the parking. Mr. Barber said that Mr. Gale apologizes for not being able to be at the meeting, and authorized him to represent Mayor Gale on this matter before the Board. he thinks it is extremely important to recognize the need to satisfy the County's investment in regard to the McIngvale House. Mr. Bouchillon said that he is not saying there is an economic need but, the McIngvale House represents a tremendous treasure to the citizens of the County.

Winn Brown, representing his wife, Ms. AnnieRuth Brown, appeared before the Board on behalf of the Historic DeSoto Foundation in which Ms. Brown is President. Mr. Brown said that to preserve the home would be great, but he supports the Board's decision on the matter.

Past Mayor, J. B. Bell, told the Board that zoning and planning were established in the City of Hernando before they were established in any other city. Mr. Bell said that the County is now one unit in the area of planning and zoning. Mr. Bell said that the Board is building a Convention Center based on people coming into the County, but people who were already in the County and people passing through the County enjoy the service offered by the Genealogy Records. Mr. Bell asked the Board to give the County a more adequate space for the Genealogy Department to work in. Supervisor Eugene Thach said that the Genealogy Department is going to be on the first floor of the Courthouse after the renovation takes place. Mr. Bell said that the Genealogy Department could also use a paid employee. Mr. Bell said that he commends the Board for their work in the County.

Supervisor John Caldwell said he thinks the Board should make the McIngvale Home available to the city if they want to move and renovate the building. Supervisor Caldwell reminded those present that the Board is committing \$6.5 million to answer the needs of the County through the new Administration Building.

Supervisor Jessie Medlin said that it has been since he was here that the McIngvale property was obtained and he would like to see the County move the house and the City renovate the house and run it.

Bob Barber said that the City Board of Aldermen meet tomorrow night and the issue could be discussed at that meeting. Mr. Barber said that this is an opportunity to meet the needs of the County. Supervisor Jessie Medlin asked Mr. Barber to come before the Board on Wednesday.

Supervisor John Caldwell asked when it is moved will the McIngvale House be a County building or a City building.

Bob Barber said that the State of Mississippi has some 50% money available for investment in museums.

Supervisor John Caldwell said he would like to get input from the City Aldermen of Hernando to find out and bring back the issue on Wednesday.

Supervisor Jake Pearson said he would like to see the Board work with the City of Hernando to move the house.
